

CHILD'S PLAY: The PlayGround Theatre for Young Audiences is \$5,000 richer, thanks to the Miami branch of Smith Barney. The gift is to be used for a community outreach program that is to provide free tickets to children and families. The company, founded last year by Stephanie Ansin and husband Oleg Kheyfets, has hosted more than 2,600 children from groups that include Amigos for Kids, Big Brothers Big Sisters of Greater Miami and Make-A-Wish Foundation of Southern Florida.
