Odds and Ends... By Hoch

We have a lot of stuff going on with the show for December, so I wanted to keep everyone up to date. First of all, our website www.horsemuffins.com has some new merchandise added to it... and a holiday design! Wouldn't some Dan LeBatard Show related merchandise make a great gift for someone on your list? Check out our website at www.horsemuffins.com. The bottom line is that we profit anywhere from \$3-\$5 per item sold... That means if we sell 100 items, MAYBE we'll make \$400. The charitable news is that all the profits- all of it-will go to Ozzie, who produces Sedano's show. He designs the shirts and he's definitely underpaid as Sedano's producer, so this could be a way for him to earn additional money. So when you're buying something at horsemuffins.com, please know it's not lining Dan's or my pockets... it's going directly to someone who needs it!

In other news, we have an event coming up on Thursday, December 18 at Doral Billiards. It's our first billiards tournament ever, and it costs \$10 to play. You don't have to be a good pool player to join us that night, though. There are a ton of TVs in that place... the NFL Network will be on that night, and we're planning on having a good time after the show. Please join us- this will be our second event ever in Doral, and we're hoping a bunch of people show up. If you want info on the pool tournament, please e-mail me at cantstanddan@790theticket.com.

We'll also be doing another toy drive for "Amigos For Kids" that night. (Our toy drive at Miami Prime Grill) didn't go very well... Tons of people showed up to watch the Dolphins game with us, but very few brought toys. We need a better showing at Doral Billiards. Please- even if you're not playing in the pool tournament- just stop by with a new, unwrapped toy for "Amigos For Kids." Help us help out some unfortunate South Florida kids this holiday season.

We also have another poker tournament planned for December... We're going to do a tournament on Tuesday, December 30th at Dania Jai Alai. It will be our final get together for 2008... I'm sure it will be a great time as usual, so stay tuned to the show to hear details about that poker tournament. (If you have any suggestions for what to call this one, let me know!)

Finally, don't forget you can check out videos of a lot of the events that we do on our YouTube channel. The web address is: <http://www.youtube.com/xhochmanx>

I have posted videos of our poker tournaments and other events on that site. Most recently, I just put up video of our event at Miami Prime Grill last Sunday. Check it out... I'm thinking about taping some of the stuff that goes on inside the studio during the show and posting that video too. I know we need to have a live webcam in there, but it's just not in the budget right now. (Nothing is in the budget right now. Times are tough.)

That's all for now... Dan and I will be on vacation Thursday, Friday, and Monday... We'll be back for the show on Tuesday, December 16th. We're headed to Las Vegas with some other friends of ours to celebrate Dan's 40th birthday. He's old. Chat with you when we return.
