THE DOMINO EFFECT

About 2,500 people attended the ING Miami Celebrity Domino Night to benefit Amigos For Kids, a nonprofit organization that helps abused, abandoned and less fortunate children in South Florida. The event was June 14 at the Miami Beach Convention Center.

The evening featured a colorful Cuba-circa-1958 opening theme, followed by a modern-day Domino Supper Club. Highlights included live performances by Suenalo and Hansel y la Orquesta Calle Ocho, as well as showgirls, tumbadores, salsa dancers and an appearance by Cuban crooner **Olga Guillot**. A silent auction featured hundreds of items including the painting *Nostalgia and Domino* donated by local artist and Amigos volunteer **Carlos A. Navarro**.
